

# Heating Ventilation Air Conditioning (HVAC)

Supply Installation and commissioning of HVAC Equipment & Evaporative cooling system

## HVAC Equipment:

- Water cooled Condenser A.C units.
- Air Cooled Package Type A.C unit.
- Floor standing split units.
- Fan Coil Units
- VRF System
- Fan Filter Units.

## Fabrication:

- G.I Duct work for Supply / Return Air, for Ventilation and Air Conditioning.
- Insulation and cladding of Ducting.
- S.S Duct Work.
- Supply/Return Air Grills
- Louvers
- Motorized Dampers

## Fabric Ducting:

- 100% polyester
- Different type of fabrics.
- Fire Resistance
- Option for colors
- Washable
- Easy Handling/ installation.

## Evaporative Cooling system:

- Imported plastic body
- Locally manufactured G.I Body
- Locally manufactured S.S Body
- High flow rates
- High Static Pressure
