

## INDUSTRIAL AIR FILTERS

### **Rolls/Pads:**

Primary Filter Roll : G2-G4  
Fine Filter Roll : M5  
According to EN779  
Flame Resistance:  
F1 DIN 53438  
Application:  
Ventilation, Air Conditioning  
and paint spray application.

### **Bag Filters:**

Primary Bag Filters : G3-G4  
Medium Efficiency : M5-M6  
Fine Filters : F7-F9  
According to EN779  
Available in all Sizes.  
Application:  
Ventilation, Air Conditioning  
for high air flow application.

### **Compact Filters:**

Medium Efficiency : M5-  
M6  
Fine Filters : F7-F9  
According to EN779  
Application:  
Ventilation, Air  
Conditioning Intake Air for  
Gas Engines and Gas  
Turbines.

### **HEPA Filters:**

Medium Efficiency : H10-H14  
According to EN 1822  
Frame: Steel/Wooden  
Final Pressure drop 600-1000pa  
Application:  
Hospitals, Pharmaceuticals , HVAC
